# ***FREE SPORTS PHYSICAL***

In order to safely and conveniently provide sports physicals for kids in the communities we serve, North Shore Medical Group will offer free sports physicals by appointment at our offices in Stevenson and White Salmon. Families/students can call 509-493-2133 or 509-427-4212 to schedule. It's important that the patient complete their portion of the form before the visit begins. This opportunity will run through December 2021, so all athletes wanting to take advantage of this opportunity should schedule their appointments now.

**The Stevenson-Carson School District would like to thank the NorthShore Medical Group for their continued support and efforts in creating equitable opportunities for all kids to participate in Athletics.**

**If you need a physical form, the Klickitat School office will have them.**
