"Achieving Excellence"

August 10, 2023

Welcome to the 2023-24 School Year!

Dear Klickitat Families,

We look forward to seeing students later this month as all grades K-12 return to the classroom on **Wednesday, August 30, 2023. This first day back will be an early release at 1:25 pm.**

I am eager for this new school year, my second year here at Klickitat, as we continue to advance our school's educational opportunities and positive outcomes for all students. In leading this advancement, I have some areas of focus, staff roles, and other news to share for this 23-24 school year.

Our primary focus this year will be to increase student engagement at school and in the classroom school-wide K-12. Regular, consistent, attendance is a must for all students! Our early-grade children need to be steady in their learning and development of reading and math skills; while older students need to solidify their career-readiness qualities related to participation and "ready" appearance.

Campus will open at 7:40 am and students should be here and ready to learn by 8:00 am. School will release at 3:15 pm; except on Wednesdays when early release will occur at 1:25 pm. The school office will be open on school days 7:40-4:00 pm. **Cost-free breakfast & lunch is available to all students daily!**

To achieve growth in school engagement, we will need to work together as a school & community to continually increase the positive culture and climate at our school. We want all students to be excited about coming to school and finding purpose while they are here.

This Fall, new school counselor Mrs. Cristie McCabe and I will be putting forth a Community Skills Survey to identify those of you in our community with skills and talents they would like to contribute to our school. We hope to re-establish diverse elective opportunities, activities, and social experiences both at school and via the community center.

Our new Dean of Students, Mr. Dan Smith, will be working districtwide with students and teachers to ensure student attendance, readiness, and positive conduct in our classrooms & school grounds. Mr. Smith will also be transitioning into the Athletic Director role this year, promoting opportunities and participation in extracurricular activities.

Also, this year, I have increased service time to our Prevention Education, GearUp/College Readiness, and Intervention programs to further support student needs and success. I hope you will notice the many & growing supports for our students and will engage with us in ensuring all Klickitat students are safe & ready to learn.

Finally, I have so much to share but want to keep this letter to one page, we desire to communicate more with you this year! All students and parents should be connected to Skyward-QMLATIV to see grades and attendance. Our district website, www.Klickitat.wednet.edu, will be undergoing updates this year and school news is also frequently posted on the Klickitat School District Facebook page. I can always be contacted at my email address shown below, and I look forward to making myself available for monthly community meet-ups starting this school year for community members that have questions and ideas.

Klickitat School District Attendance Policy 2023-24

Excused and Unexcused Absence

Since excessive absences negatively impact student performance, students are expected to arrive at school on time and have regular attendance. Students are permitted five undocumented excused absences per year. All subsequent absences will require a doctor's note to be excused.

Absences for family activities should be pre-arranged with teachers and the school. Lengthier planned absences and plans for accessing and completing schoolwork may require administrative approval.

Tardies

Students arriving late for school must check in at the office before going to class. If the tardy is not excused, a lunch detention will be assigned for that day (grades 6-12).

Documentation

If your child is going to be absent, notify the office and provide a reason for the absence. Medical, dental, and other appointments require a note from the practitioner's office to be excused. If no note is received within three working days, the absence will be recorded as unexcused.

Make-up Work

For all excused absences, students will be permitted to make up all missed assignments and provided with a reasonable time limit for completion, as determined by the individual teachers.

For unexcused absences, make-up work may be provided through individual teacher discretion.

Interventions for Excessive Absences are as Follows:

- Conference with parents/guardians, teachers, counselors, and administration
- Detention and/or Academic Support periods
- Attendance Contract
- Referral to Community Engagement or Klickitat County Truancy office per Becca Bill requirements

Student Checkout and Release

Appointments should be made outside of school hours or on non-school days. However, this may not always be possible and other reasons or illness may arise upon which a student may need to depart early from school. Students must be checked out at the office by a parent or other pre-approved contact listed on the student's record. Students may not sign themselves out without prior documented approval. A parent's phone call to the office or administrative staff may be acceptable on a limited case-by-case basis.

Changes to student pick-up or transportation arrangements must be communicated to the office at least 30 minutes before school release. Bus drivers will not accept notes or calls that have not been approved by the office.

2023-24 Family Income Survey

Dear Parent/Guardian:

Schools receive certain federal and state funding (Learning Assistance Program, teacher incentives, etc.) based on the number of children from households that are at or below the federal poverty level. This Family Income Survey provides your child's school a way to collect household income information. This information makes sure your child's school receives the full amount of federal and state funding and makes sure your child receives services they are entitled to when free/reduced price applications are not collected.

It is important that you complete this survey. Please complete and return this form to KUCKITAT SCHOOL DISTRICT, PO Box 37, Klickitat, WA. 98628 or bring it by the office.

Part 1. ELIGIBILITY: Figure out your total household income. Then look at the income chart below. Find your household size. If your total household income is equal to or less than the amount listed for your household size, check the box.

HOUSEHOLD is defined as all persons, including parents, children, grandparents, and all people related or unrelated who live in your home and share living expenses. If you're applying for a household with a foster child, you may include the foster child in the total household size.

HOUSEHOLD INCOME is considered to be any taxable income each household member received before taxes. This includes wages, social security, pension, unemployment, welfare, child support, alimony, and any other cash income. If including a foster child as part of the household, you must also include the foster child's personal income. Do not count foster payments as income.
