

KLICKITAT SCHOOL 2023-24

MORNING BUS LANE AND MORNING DROP OFF

Please help us to maintain student safety by driving carefully through town and into the school parking lot. Please drive at a reasonably slow speed and observe student cross walks.

Upon entering school lot, take careful notice of those walking down the trail or in any student walk zones marked in yellow on the diagram to the left.

Cars and buses will enter and proceed one way through the parking lot dropping students off on the right between the school building and playground walk way.

If families must park in the mornings, please park in the center dirt lot, behind the cones as shown in green in the diagram.

Orange parking zones are for staff and long term parking. Pull in and backing out should **NOT** occur from these spots during morning hours. PLEASE use green parking zone if you must park short term.
